

Class IX

ASSIGNMENT ON MAP SKILLS

Trace the map of different continents that are North America, South America, Europe, Africa, Asia and Australia from your atlas, on separate sheets and label the following on each of them:

- i. Waterbodies (Oceans, seas, gulfs, straits, rivers)
- ii. Mountains
- iii. Plateaus
- iv. Deserts
- v. Grasslands

Names are given on page no.206 of your geography book.

{ Use colour pencils and you can refer to page 210 and 211 of your geography book for labeled world map.}
