

Copy in your notebook and understand the following grammatical questions as examples :-

QUES 1 :- *Fill in the blanks with correct form of the verbs given in the brackets :-*

The Egyptians were the first to build (build) the dam among the ancient civilizations. This was simple enough to be made (make) of rocks and gravel which resisted (resist) the force of water. However their dam was not very effective as water eventually managed to trickle (trickle) through the rocks. The Mesopotamians on the other hand, built (build) their dam, of soil and clay.

The Romans built the first concrete dam in 100 BCE, but in the 17th century the Spanish perfected (perfect) the art of building (build) dams. They travelled around the world, taking (take) their building methods with them and shared (share) their knowledge with the rest of the world.

QUES 2 :- *Fill in the blanks with appropriate word :-*
